

# EARTH DAY SWAMPSTOMP!

**Saturday April 25<sup>th</sup> at 1:00**

**Meet at the end of Salisbury Rd #39**

Celebrate Earth Day with The Barrington Land Conservation Trust with a cleanup of the Annawamscutt Creek. Join neighbors and Land Trust members for an informative family activity celebrating a valuable natural resource in our own neighborhood.

- Wear protective clothing, gloves, waterproof boots and bug spray.
- We will have information on why our local waterways are crucial to the health of Narragansett Bay and how we can care for them.
  - Lemonade and Leaf bags will be provided
  - Bring friends and family- all are welcome!
- We aren't really stomping on the swamp- just cleaning up leaves, debris and an amazing amount of trash.

**For more information contact Blakely Szosz  
433-2621**

Make this flier work twice as hard by passing it on to a friend  
Please remember to recycle
